

Directions for accessing the math for week 4:

1. Go to start.hcps.org (You can also access the math through the regular hcps website.
2. Click on the Pearson Realize tile.

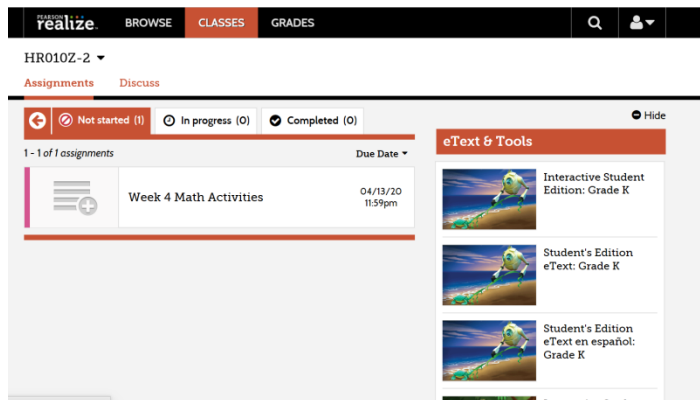

If you see this screen, go all the way to the bottom and click "Let's go!"

5

Under “Classes” you will see the assigned playlist. Your teachers will be able to see when you have completed each assignment.

You can see the playlist called “Week 4 Activities.” Click there to get started.
